I'm writing this letter as I'm emailing you.♡ Silly, huh?

WELL, LOOKS LIKE I'M IN NO POSITION TO CRITICIZE ANYONE ELSE
She was 3 years younger than me.
I wish I could run over to Sumi's place right now and take the next letter back...
It's just a rough draft.
Sumi-chan was my first girlfriend

portraits
photo stickers
New Year's cards,

Hajime, Sorry about the other day
K.N.
Everyone please be extra careful when you're writing love letters
YOUR LOVE LETTERS WERE FULL OF MISSPELLINGS, BY THE WAY WHAT A WASTE!
You wrote "I'm putting my heart into this letter" once
Cut hers up and threw them out.
